**San Mateo Credit Union Member  
Is Among Fiserv Sweepstakes Winners**

Porter Goltz, a member of San Mateo Credit Union (SMCU) for more than 30 years, was a second-place winner in the Fiserv “Make Bill Paying a Breeze” sweepstakes. Fiserv is a provider of technology solutions to the financial world, including SMCU’s online Bill Pay system. The purpose of the sweepstakes was to create awareness of the simplicity of paying bills online and to encourage use of the program.

Says Goltz, “Winning one of the sweepstakes prizes felt like a bonus—like being rewarded for something I do every day. Ever since SMCU made Bill Pay available to members, I’ve used the service regularly. I enjoy the convenience of being able to pay my bills right from my computer.”

Adds Barry Jolette, SMCU’s President and CEO, “One of our top priorities is to provide financial systems that help make life a little less complex. In this electronic age, more and more of our members are looking for online convenience, and we’re pleased to be able to meet that need.”
